NOTE: This spreadsheet contains data that spans decades. During this time period, legislation, the department's procedures and contracts have resulted in changes to specialty license plate fees, plate names, plate funds, and the department's revenue estimate methodology. Below are notes documenting exceptions and changes.

FUNDS and ESTIMATES

- * The estimated number of plates is determined by dividing the revenue collected by the fee.
- ** Indicates that a number of plates issued and/or renewed could not be determined from historic data sources.

From FY2013 on, TxDMV specialty plate funds were administered via Fund 001 instead of (Transportation) Fund 006.

MILITARY PLATES

For ease of reading, all Disabled Veteran (DV) plate revenue collected, including fees from DV plates with medals, is shown as one "Disabled Veteran" line item.

Legion of Valor plates originally were issued to recipients of Air Force Cross, Army Distinguished Service Cross, the Navy Cross or the Medal of Honor. Subsequent legislation authorized unique plates with each of these medals.

VENDOR MARKETING CONTRACT

In FY2008, the department did not apply \$212,063 in revenue generated to Fund 1, from a prior private vendor contract to the 2009 private vendor contract.

From FY2009 to FY2015, during the first five-year vendor contract, revenue collected includes fees from one, five, ten, and 25-year plate orders. From FY2015 on, during the second five-year contract period, revenue collected includes fees for one, three and five year plate orders.

 $From \ FY2010 \ on, the \ number \ of \ "Personalized \ License \ Plates" \ reported \ includes \ those \ sold \ by \ the \ private \ vendor.$

 $From \ FY2010 \ on, vendor \ plate \ revenue \ excludes \ the \ vendor's \ share \ of \ royal ties. \ Only \ the \ State's \ portions \ are \ included \ in \ this \ spread sheet.$
